TO WHOM IT MAY CONCERN,

Sir / Madam,

CORPORATE DIRECTORS TRAINING PROGRAMME (CDTP)

The above matter refers.

2. I am pleased to announce that the Companies Commission of Malaysia (SSM) is currently organizing its own Corporate Directors Training Programme. This programme is aimed at enhancing the understanding and knowledge of laws in relation to non-listed companies, in order for company directors to competently carry out their responsibilities.

3. Non-listed company directors are encouraged to attend this training programme in order to understand the requirements of legislation in managing a company and to improve the compliance rate amongst companies in this country.

4. With the implementation of this training programme, the Companies Commission of Malaysia's objective of having companies managed by company directors who are knowledgeable in their roles and responsibilities will be accomplished with success. In addition, this programme is expected to overcome the issue of lack of knowledge and non-compliance of company directors for the legislation and corporate governance of this country.

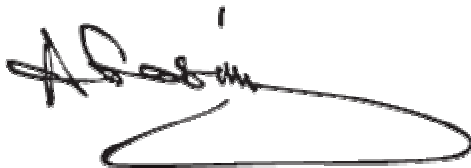

5. I invite all of you to attend this programme coordinated by SSM. Please note that participants will be taken on a guided office tour of the SSM head office at the end of the programme so as to familiarize with our operations as well as to obtain clarification on the methods to apply for corporate/business information from our service counters. For further information, please contact the Companies Commission of Malaysia at 03-4047 6018/03-4047 9658 or email:-
