COMPANIES COMMISSION OF MALAYSIA INDUSTRIAL TRAINING PROGRAMME

Students undergoing industrial training at SSM will be placed either at the SSM Headquarters in one of the three (3) departments, namely Corporate Services, Registry & Business Services, Regulatory & Enforcement, or at SSM State Offices and Branches throughout Malaysia. Placements will be determined based on the needs and compatibility to the students' fields of study.

Industrial training students will be exposed to a working environment aimed at fostering innovation, enhancing self-potential and, providing the best platform for gaining new perspectives. SSM is also committed to assisting students in self-development aspects and achieving career goals through guidance and mentoring throughout the industrial training.

Industrial Training Application Requirements:

- Students must be Malaysian citizens only;
- Aged 18 years and above;
- Relevant fields of study in Bachelor's Degree at local and international IPTA/IPTS;
- Minimum CGPA of 3.00; and
- Active involvement in co-curricular and sports activities.

Terms and Conditions:

- Students must submit their applications three (3) months before the industrial training period;
- Applications should only be made online;
- Successful candidates will be contacted for industrial training placement offers.
