READ, INTERPRET AND ANALYZE FINANCIAL STATEMENTS FOR COMPANY DIRECTORS AND COMPANY SECRETARIES (INTERMEDIATE LEVEL)

COURSE INTRODUCTION

The course aims to enhance the participants' financial and business acumen to lead a small business unit or even run a big corporation. You will learn to extend a keen eye in reading and analyzing financial statements to improve business performance. By applying this financial knowledge, you will be able to contribute more strategically in the business operations of your organization.

COURSE OBJECTIVES

The course has been specially designed to develop your skills using financial tools and techniques. Participants will learn how to prepare and execute a business plan as well as uncover all the intricacies involved in an annual budgeting exercise. Next, participants will learn to analyze financial statements and assess business performance using ratio analysis and other financial tools. This course also guide participants on setting policies and goals to manage any enterprise.

COURSE CONTENTS

- Key financial statements review: A financial management perspective.
- Linking budgets with strategy: Budgets as a global management tool for financial stewardship.
- Financial analysis: Introduction to analytical tools for business efficacy.

LEARNING OUTCOME

By attending this course, participants will be able to:

- Familiarize with business trends and recognize new challenges in today's business environment.
- Prepare a simple business plan with the accompanying financial statements.
- Get the grip on numbers thru hands-on exercises on corporate financial planning.
- Interpret and assess business trends using available financial tools and reports.
- Be sharp and spot-on with the right questions and comments as you review financial pages.

METHODOLOGY

The methodology for this course consists using a combination of interactive discourse and problem solving through case studies, quizzes, games, prints and digital media. There will be group discussions, self-assessments and presentations, where necessary, to test and reinforce knowledge. Participants will learn to apply the principles to scenarios and discuss dilemmas faced at their workplace.
