

NOTE OF ADVICE

As the timeline to lodge beneficial ownership information with the Registrar via e-BOS has been extended to 30 September 2024 and to facilitate a smooth process of lodgement, companies are encouraged to lodge their beneficial ownership information based on the following schedule :

Group	Details	Lodgement Period
1	Companies with anniversary date from 1 January until 30 April 2024	1 July until 31 July 2024
2	Companies with anniversary date from 1 May until 31 August 2024	1 August until 31 August 2024
3	• Companies with anniversary date from 1 September until 31 December 2024 • Foreign companies • Public listed companies	1 September until 30 September 2024

The schedule is to ease the network congestion as SSM foresees companies will perform last minute lodgements. We kindly seek all companies to cooperate and observe the scheduled timing and avoid last minute lodgements.
