

READ, INTERPRET AND ANALYZE FINANCIAL STATEMENTS FOR COMPANY DIRECTORS AND COMPANY SECRETARIES [ADVANCED LEVEL]

COURSE INTRODUCTION

Most successful people have the self-motivation and determination to succeed. These are the people who have succeeded in developing themselves as well as growing their business or other sources of income intelligently. However, having gained the wealth and power there are those who are unable to sustain and preserve it for the next generation, simply due to the lack of financial knowledge or not having financially competent managers. Those who take the time to learn and apply financial intelligence in their business and lifestyle have better chance of keeping and growing what they and their predecessors had worked so hard for. Business owners and company directors can contribute more strategically if they apply financial knowledge in their business operations.

COURSE OBJECTIVES

This course gives a broad overview of the various roles and responsibilities and interaction required in running an organization. Participants will learn how to manage various stakeholders and integrate finance and operations successfully. They will learn how to set policies and optimize business to meet shareholders' expectation. They will also be challenged to step in and necessitate the strategic changes in order to put the business on track, if and when necessary. These skills come with knowledge and experience; this course will help in shortening the learning curve.
